LOCATION

The Conference will be hosted in Wrocław, by Wrocław University of Economics which is ranked among the top economic schools of higher education in Poland, and an important center of science and research.

Wrocław is one of Poland's oldest cities, as well as one of the most influential Polish municipal centers. There is about one hundred bridges connecting Ostrów Tumski, the oldest part of Wrocław and other neighborhoods filled with countless cafeterias, restaurants, old stone houses and charming alleys.

Norman Davies, an outstanding researcher of European history, has hailed the city the "flower of Europe".
